INTERNATIONAL PROGRAM STUDENT PARTICIPATION AGREEMENT

The Board of Education of School District No. 34 Abbotsford (the "School District") wishes to provide a challenging and exciting program to students studying in our School District. There are, however, certain expectations of students when we accept them into our program. These expectations include important obligations on the part of each student accepted to study at our schools, and we set a high standard in requiring all students to meet their obligations.

Each student and the guardian or the parent of each student that is accepted into our program must read the following statement and must, by signing it, agree to be bound by and to honour its terms strictly.

1. Law, Rules and Regulations

- a) I agree to abide by all the laws of Canada and my home country, and the rules, regulations, and policies of schools and the School District.
- b) I agree not to purchase, use or have in my possession, which includes my homestay premises, school locker, or vehicle, any drugs not prescribed for me by a doctor.
- c) I agree not to purchase, use or have in my possession, which includes my homestay premises, school locker, or vehicle, any alcoholic beverages.
- d) I agree not to purchase, use or have in my possession, which includes my homestay premises, school locker, or vehicle, any weapons including firearms, air-guns, knives or martial arts implements.
- e) I agree to respect the property of others and understand that any theft is a breach of the law.
- f) I agree not to engage in fighting, bullying, racial taunting or similar activity.
- g) I agree that I will not drive any motor vehicles other than my own and then only if I have a valid B.C. drivers license and appropriate motor vehicle insurance, and only with notarized parental permission. We understand that the School District does not encourage or endorse the ownership or operation of motor vehicles by international students. Neither the School District nor the homestay parents will be held, in any way, responsible for any accidents or liabilities arising from owning and/or operating a motor vehicle.

I understand that infractions of any of the above rules will result in my immediate dismissal from the International Program of School District No. 34 (Abbotsford), without refund of any kind, and with notification to the Canadian Embassy of my dismissal. I also understand that a breach of any criminal law may result in criminal charges and penalties.

2. Homestay Policy

We agree that student safety is of paramount importance to the School District and that parents and students must respect and adhere to the established policy. We understand that violation will result in removal from the Program.

We understand that international students who are **under the age of 12** are accepted only if the following conditions are satisfied:

- A parent must accompany the child, reside full-time in Abbotsford, and provide care and custodianship for their child. If the parent(s) must leave Abbotsford (i.e. return to home country) while the child is enrolled in the international program, the child must go with them.
- If requested, the District will permit students under the age of 12 to reside with a direct relative. Direct relative is defined to mean that the parent(s) are related to the individual by bloodline or by marriage. If the child is to be cared for by a relative, as defined above, then the parent(s) and the relative must provide the School District with a letter of verification that has been notarized by a lawyer stating that the relationship is in compliance with this policy.

We understand that international students that are **12 years of age and older** are accepted only if the following conditions are satisfied:

- We acknowledge that it is mandatory for students to live with a homestay family, if the student is 12 years old or older, that consists of at least one adult of twenty-five (25) years of age or older.
- We acknowledge that, if at any time, the student is not living in a homestay, the School District's policy may lead to immediate dismissal from the program.
- If the student is living with a parent, the parent must not leave Abbotsford while their child is enrolled in our program. If the parent must leave Abbotsford, they are required to make the necessary homestay arrangements to cover for their absence and notify the School District of these changes.

3. Academic Life

We understand that international students are expected to follow the same course requirements as Canadian counterparts. The student will maintain a minimum grade average of "C", and if not, do whatever is necessary to improve his/her academic performance. This may include receiving tutoring at the student's expense.

- a) I agree to attend school on a regular basis and to bring a note from my parent or homestay parent explaining any absence from school.
- b) I agree to complete all homework and class assignments.
- c) I agree to make a consistent and determined effort in my school work, to attempt to maintain passing grades, and to maintain good work habits in all subjects.

I understand that any infractions of the rules listed under clause 3 of this agreement will be documented and addressed by program staff and school administration. Students may be dismissed from the International Program if not progressing academically, without refund of any kind.

4. Refund Policy

In the event that a student does not come to Canada or decide not to attend or to leave the International Program for personal reasons, only a portion of the paid tuition fee will be refunded. In all cases, the application fee will be retained to cover administrative expenses. The following refund policy will apply for each student:

- Full refund (less application fee) if the Study Permit authorization is not approved by Canadian Immigration and supporting documentation of this rejection is supplied (student must provide letter of rejection from the High Commission).
- Two-thirds (2/3) of the full tuition fee if the student withdraws prior to commencement of the program.
- One half (1/2) of the full tuition fee if the student withdraws within the first month of studies.

No refund will be granted:

- for whatever reason, if the student withdraws after 1 month of participation in the program.
- if the student is found to be in violation of this Agreement and is asked to withdraw from the program.
- as the result of the School District being unable to provide education due to causes beyond its control.

Refund Policy For Returning Students

- Full refund request deadline – June 15 for September semester and November 30 for February semester
- 2/3 of the tuition fee will be refunded to the student who withdraws between June 16 and August 31 for September semester, and between December 1 and January 31 for February semester.
- 1/2 of the tuition fee will be refunded to the student who withdraws in September or in February.

No refund will be granted:

- For whatever reason, if the student withdraws after September for semester one and after February for semester two.
- If the student who is found to be in violation of the Program Participation Agreement and is dismissed from the program.
- As a result of the School District being unable to provide education due to causes beyond its control.

5. Examination of Student Records

School Act Section 9

A student and the parents of a student of school age are entitled, on request, to view all student records kept by the School Board on that student.
